## **WEST METRO FIRE PROTECTION DISTRICT RIDE-ALONG GUIDELINES**

1. Observers must arrive at the designated station or location 15 minutes prior to the scheduled time the ride-along is to begin. If you are unable to make the scheduled time, you shall call West Metro Fire Rescue (WMFR), (303) 989-4307 ext. 0, in advance to notify your estimated arrival time or cancellation.  
If you are cancelling after hours or on a weekend, please contact Jeffcom Dispatch at 303-980-7300 and respond to the confirmation email requesting the cancellation. Two days-notice of cancellation is suggested.  
Observers who do not show up for their scheduled time and do not contact West Metro Fire Rescue or Dispatch will not be permitted to reschedule a ride-along.
2. Every attempt will be made to keep you at the station where you were scheduled; however, operational changes may require you be reassigned for the day.
3. Dress appropriately for the fire service work environment. This will mean dark trousers, leather boots/dark-colored shoes, and short/long-sleeve shirts. All clothing should be clean and proper personal hygiene maintained. Observers shall wear clothing that does not contain offensive language, logos, graphics or pictures. You will be required to wear an Observer Safety Vest and/or identification during the ride-along period. Observers shall avoid wearing jewelry (wedding rings and watches are okay) during the ride-along.
4. Complete all paperwork in advance (Ride Along Application, Covenant Not to Sue/Promise to Release) and bring these forms with you on the day of the ride-along. You must turn in this paperwork to Administration Offices before you'll be allowed on the apparatus.
5. Be prepared. Bring all equipment you expect to use that day, including pens/pencils, lists of questions, paper, weather-appropriate clothing, educational materials, etc.
6. Report to the Company Officer/firefighter, introduce yourself, and describe the level of your fire and EMS training, if any. Let the officer know if you have specific needs or areas where you would like to observe.
7. You are a guest at the station. If you would like to eat with the on-duty crew, please inform the Company Officer. Crews share expenses for lunch and dinner. Please bring your meals or money (about \$10) to purchase food or buy into the station meals. You will be expected to clean up after yourself.
8. Observers shall abide by all rules and regulations of the District.
9. Observers will not be permitted to perform any acts other than observation. Exceptions for advanced-degree program participants will be arranged by the Training Division.

RIDE-ALONG GUIDELINES (cont.)**

10. Observers will be required to stay in the common/public areas of the fire station and shall not be allowed into private crew quarters.
11. Observers will not be permitted to take pictures or to make video or audiotapes.
12. Company officers may ask observers to leave the station at any time for good reason.
13. While responding to routine or emergency runs, the company officer has the discretion to ask the observer to remain in the District apparatus until the situation can be assessed and/or the safety of the observer can be ensured. Observers are expected to follow the command of the company officer. When the company officers are in command of a multi-apparatus response, the observer should report to incident command and may become the responsibility of the on-scene PIO until such time the company officer can resume the observer ride-along responsibilities.
14. Observers are reminded that, in the eyes of the public, they are with and therefore a part of WMFR, and are to conduct themselves at all times in a manner that will not bring discredit to the District. Observers will be briefed on issues of medical confidentiality by the company officer and will be expected to respect the privacy of all parties and their families.
15. At no time are observers allowed to enter a private residence. You will be asked to remain on the fire apparatus.
16. Observers will be required to sign a Covenant Not to Sue/Promise to Release form, read a copy of the Workplace Violence Policy, and complete the Ride-Along/Observer Application prior to being allowed to participate.
